

Adult Diploma

PROJECT DIPLOMA is a second chance program that creates a major financial life change and future outlook for those who do not possess a High School Diploma in your community.

With dropout rates in America averaging 50% in the major cities of the United States, it is imperative that new options be made available to correct this problem.

No High School Diploma or only a GED creates a negative image on a Resume!

We offer solutions!

- **Prior work experience as possible credit**
- **College and Vocational coursework receives automatic dual concurrent credit**
- **Multiple Assessment Formats to earn credit**
- **Tutored personalized coursework completed at home or with assistance**

Our Staff is trained to assess and implement immediate action to satisfy the needs of the student.

Upon completion and validation of credit, all students receive a Gold Embossed Diploma, 2 Official Transcripts, and 1 Student Copy Transcript for their permanent file.

Through PROJECT DIPLOMA students gain greater earning power and recognition in the workplace. Communities experience upward growth in the financial arena through better educated citizens. Students benefit from a *complete record* of their academic success.

Project Diploma - makes communities great and futures brighter!
